PROFILE

Frontend Developer with experience in building high-performance, scalable web applications using modern technologies such as React, Next.js, and TypeScript. Expertise in architecting and managing monorepo projects with Turborepo, and developing responsive, accessible, and Pixel-Perfect interfaces with Tailwind CSS, MUI, and Styled-Components. Proficient in state management using Zustand and Redux, and data handling with React Query. Collaborative team player with proven leadership and mentoring skills, adept at working in Agile/Scrum environments and collaborating with cross-functional teams to deliver high-quality solutions.
